"Future Leaders" are 22 students from Japan and ASEAN countries who drafted the "Future Leaders' Declaration on ASEAN-Japan Cooperation for International Marine Plastic Waste".

The ASEAN-Japan Centre invites elementary schools and high schools in ASEAN countries and Japan interested in environmental or marine plastic waste issues to join this program. Through classes taught by "Future Leaders" from ASEAN countries and Japan, students will get the opportunity to learn more about marine plastic waste and ways to solve the problem. The program will conclude with a symposium where ASEAN and Japanese students exchange their ideas and deepen their understanding of the issue.
